# SHYLOCK

Shylock was the man who wanted a pound of human flesh. There are many Shylocks now, the convalescent, the consumptive, the sickly child, the pale young woman, all want human flesh and they can get it—take Scott's Emulsion.

Scott's Emulsion is flesh and blood, bone and muscle. It feeds the nerves, strengthens the digestive organs and they feed the whole body.

For nearly thirty years Scott's Emulsion has been the great giver of human flesh.

We will send you a couple of ounces free.

## INCREASE CAPITAL STOCK.

Hardinsburg—Special—May 21.—The Bank of Hardinsburg has called a meeting of its stock holders and directors for Monday, June 4th, for the purpose of amending its charter to permit it to do a trust business in connection with its banking business. In order to do this it will be necessary for the bank to increase its capital stock to \$50,000. It is proposed to do this by voting a stock dividend of 100 per cent. to be issued to its present stock holders. This it can do as its surplus and undivided profits are ample to enable it to do this.

## THREE CHEERS FOR FITCH.

City council met Monday night adjourned meeting.

M. F. Popham applied for license. Mr. Popham not having State license, the Council was legally advised not to grant him a local license. Fitch put a motion before the house to postpone action on the matter until June 1.

The motion received no second. McCracken moved then that the Council would grant the license after the gentleman had secured a State license and fully complied with the law. A short discussion came up and in the meantime Reid moved the same motion McCracken made, worded differently. McCracken withdrew his motion and seconded that of Reid's. Reid, McCracken, Hook, O'Connell and Barry voted in favor of the motion and Fitch against it.

The Messrs Miller were allowed until the next regular meeting to take action on the erection of the electric light plant.

All representative of the electric light company said to the News that most likely the plant would be operated in connection with the Miller Brick & Tile plant and the decision about the matter was causing the present delay. There is no doubt but what the plant will be built.
